

Day Time	Wednesday, 24 May	Thursday, 25 May	Friday, 26 May		Saturday, 27 May
8:45-9:00	Speaker registration				
9:00-9:30	Iemhoff: Inference in nonclassical logic	Pimentel: A tour on multi-modality on substructural logics	Weiss: Constructivism: Views from Relevance Logic	9:00-9:30	
9:30-10:00				9:30-10:00	Buonaguidi: Strong conditionals for non-classical naïve set theory
10:00-10:30	Paoli: Proof theory for first-order ST	Blomet: ST and TS as Product and Sum: Constructing ST- and TS-valid inferences out of LP and K3	Fiore: Substructural routes to classical reasoning	10:00-10:30	
10:30-11:00				10:30-11:00	Vigiani: Evidence logic for substructural agents
11:00-11:30	Coffee break			11:00-11:30	
11:30-12:00	Fermuller: From Producer-Consumer Games to Substructural Calculi	French: An Invitation to Constructive Nonreflexive Logics	Barrio: Meta-classical Non-classical Logics	11:30-12:00	Coffee break
12:00-12:30				12:00-12:30	Wan: Skew multiplicative intuitionistic linear logic
12:30-13:00	Ahmad: Higher-level Paradoxes and Substructural Solutions	Alvarez Lisboa: Intuitionistic logic from a metainferential perspective	Randriamahazaka: Assertion, denial and structural contraposition	12:30-13:00	
13:00-13:30				13:00-13:30	Lunch break
13:30-14:00	Lunch break			13:30-14:00	
14:00-14:30				14:00-14:30	
14:30-15:00				14:30-15:00	
15:00-15:30	Ripley: Substructural set theory in Isabelle	Fussner: Interpolation and the Exchange Rule	Kowalski: Edge colourings of complete graphs and representations of chromatic algebras	15:00-15:30	
15:30-16:00				15:30-16:00	
16:00-16:30	Kortebach: Versions and Virtues of Global Validity	La Rosa: A New Substructural Logic: Classical Logic	Tesi: Multiplicative quantifiers, exponentials, and cut-elimination	16:00-16:30	
16:30-17:00				16:30-17:00	
17:00-17:30	Coffee break			17:30-18:00	
17:30-18:00	Saint-Germier: Classical Core Logic, Relevance, and Substructurality	Piccolo: Carnap's categoricity problem and meta-inference validity	Dopico Fernandez: Three recipes for supervaluational truth and the road to substructural supervaluations	18:00-18:30	
18:00-18:30				18:30-19:00	
18:40-19:20	PLEXUS GENERAL MEETING				
20:00			Conference dinner	20:00
